

“Central Division pulls together to find a cure for our 8 and 40 Special Children”

As a team of horses, they show grace, fortitude, strength and honor to accomplish their goal. So, will the Central Division Pit Crew run the race to find a cure for our Special Children.

Kathy Goodwin is our Central Division Partnership Chairperson and she and her committee will race to achieve 100% in Partnership. Partners, this is everyone’s mission, let’s race for the Black & White Checkered Flag 100%.

LaVeta Miller Debro is our Central Division Scholarship Chairperson. The scholarships are available for Nursing and Respiratory Therapist who will work with our Special Children. LaVeta and her committee will have paperwork for scholarships and pamphlets that I hope each salon will take to their hospitals, clinics and schools to let them know scholarships are available.

Jeri Akins is our Central Division Children and Youth Chairperson. She and her committee will be implementing the youth programs in our Central Division. Partners, please encourage our youth, and in your family, listen and watch. Our youth has a lot of pressure in our world. Please promote and pull together with them as they race for their goals in life. They are our children.

Remember, we may be one person in this world, but to one person we may be the world.
