September 9th, 2026

As Demi Chapeau Nationale, it is an honor to serve as your liaison between the Eight and Forty and The American Legion Well-Being Foundation (CWF). This year it is our 2026-2027 Year goal to raise \$10,000.00 for the foundation. It is a grand privilege to work together with every one of our partners to raise money for the foundation.

I challenge everyone to use your shoe size, or your birthdate if you are embarrassed by the size- ha ha. My size is nine and my birthdate is January. I invite each of you to contribute your desired number in dollars, so I would donate either nine or seven dollars to my salon for the ALCWF.

It will be an honor to see who can produce the most dollars and cents for our Wonderful Foundation to help our special children. Please keep a running tab of all the sizes and dates, so that the salon with the most donations can receive a certificate of achievement.

We want to make this a successful fundraising event, so please be creative! If your department salon desires to use something else for fundraising, please share it with others. We want to achieve our goal of \$10,000 for our special children.

There will be piggy banks distributed to each division chapeau, for the coming year for their respective region. I will leave it to you all to decide whether to challenge other divisions to raise the most. A certificate will be awarded to the region that raises the most money by May 31st. If you have any questions or concerns, please do not hesitate to contact me.

In fun and fellowship,

**Patricia A Mann
