

National 8/40 Handbook Committee 2026-2027
Diane Spencer, Chairman
Committee Members: Evelyn Nagel, Dixie Parson

Hello Partners,

We are starting our Train up on the track in looking what changes has happen for the year to be updated in our Handbook as soon as the Nationale La Marche and the Constitution and Bylaws has any updates to go in the Nationale Handbook.

We are thankful all eyes that are reading the Nationale Handbook that means you are asking questions at your salon meetings on the who, what and when, things changed.

The Handbook committee appreciate all concerns, and we are on board to Keep this train moving in the right direction and not jump the tracks for "Our Special Children". Please contact the Handbook committee anytime by email or phone call. We are here to do our best on this committee.
