

Eastern Division

Plans of Work

The 8 & 40 is coming, the 8 & 40 is coming!!!

That is the cry across the Eastern Division as we race to spread the word of our special children.

Since this is our country's 250th Birthday in 2026, our theme will be town criers like Paul Revere.

- Calling all Partnership Chairman, it is your duty to pass the lantern to each and every partner to shed light on our mission and recruit more partners to help our special children.
- Children and Youth Chairman and Nurse's Scholarship Chairman shall race across their states to rally the colonist in support and bring awareness to the Children's Hospitals, Pulmonology centers & Doctors offices, respiratory therapists, collages and schools to share the plight of our special children.

How you race to get the word out is up to you ...by horse, car, boat, train, motorcycle, bicycle or even internet. Your cry needs to be heard!

It is time we as an organization shout from the top of the mountains and in the valleys of the 8 & 40 and what we do.

The Eastern Division will not be quiet any longer.

Saddle up, grab your lanterns and lets be the loudest advocates for our special children!!!
