May – June 2022

Congratulations to Departemental de Kentucky #48 for making goal by April 30, 2022. What a team effort for their partnership.

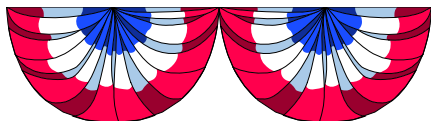

- Our total team efforts were 81.45%.
- *And 131 new partners – thank you!*

At May 31st, we were at 83.37% of our 100% goal – *just a minor shortfall!*

- Divisional Partnership changed with Southern Division now in 1st place – 87.84%; Central Division still in 2nd place – 85.57%; Western Division now in 3rd place – 84.72% and Eastern Division coming in at – 75.68%.
- *And now 140 new partners - Merci!*

These last few months we have truly been struggling to get those last 504 partnerships, as we ended at 83.37% of our national goal.

- *Good news* – Departemental de Texas #32 joined the 100% goal ranks.
- *Sad news* – We will be losing Departementaux de Louisiana #12, de Nevada #18, de New Hampshire #34 and de Rhode Island #15 at the end of this calendar year.
- *Grateful news* – We were real troopers to come in at the finish line with those expectations we did achieve. All partners worked hard and this individual appreciates the accomplishments we did make – nice job!

Happy July 4th!
