Merry Christmas & Happy New Year!!! Have a blessed Christmas!!!

Partnership is ringing the bells loud and clear for Partnership. What a wonderful sound of bells ringing for more partners "Ringing for A Cure," for our special "Children.

Wow we, have made a big progress in partnership that is major step in ringing the bells for partnership, don't stop now keep it going. We made the 2nd goal of 50% goal early that is a major step for us. We are at 56.31% and it is not even the target date December 31st, ahead of schedule that is so wonder, an early Christmas gift for National Chapeau Lorene.

Western Division leading way with a small margarine 59.09% and Central Division 58.46% , Southern Division 53.15%, Eastern Division 50.98%. I am so proud that each Division has met their goal of 50%. Way to go, Departmental Partnership Chairman's and Division Chairman's Pamela, Kimberly, Bonita, Debra, keep it going ladies. But Eastern Division still has 1 Departmental that is zero% and Southern Division has 2 with zero% and Western Division has 1 with Zero%. We have currently 16 of the 27 Departementaux that is 50% so if the Divisions can work on getting the 11 Departementaux at 50% by December 31st that would be great partners.

We have 3 Departementauxl that have made their 3rd goal of 75% and it is not even February which is the 3rd goal of 75% by the 28 of February and We have 1 Departementaux that has made all their target dates and that is South Dakota at 103.85% way to go South Dakota but she can still try for more partners. And I am so glad that we have 45 new partners so for 2022 THANK YOU PARTNERS.I know that you are working hard for our kids.
