

# Handbook

*'Our Success Rings from using the Handbook'*

*January – February 2023*

A blessed  to all!

Several partners 'read, reviewed and made their comments/suggestions' on the first 28 pages of our 2022 handbook found on the [www.8and40.org](http://www.8and40.org) website. *Thank you!*

We will continue to 'read and use' our handbook with now reviewing pages 29 through 58.

- All suggestions and/or comments are to be documented in writing to Gail by March 1, 2023.

Our success remains the same, with each partner ringing Chapeau Loren's bells for how to perform their responsibilities to the 8/40 Organization.

RE: Handbook – FORWARD – page 2, paragraph 4 – states:

- 'With the Handbook, along with the National, Departemental and Petit Salon Constitution and By-law and Robert's Rules of Order, Newly Revised current edition, effective *leadership* is assured at any level of responsibility.'

Reminder: *We are here to serve you!*

- Assist us in keeping the Handbook current on how we need to perform.

Wishing each a beautiful  day on February 14, 2023!
