## Months of Giving & New Things

**DEC./ JAN. 2022**

This is the month of Blessed Giving followed by the month of New Things. Be sure you are a blessing to others and set strong goals for the new year. This is a GREAT Month for sending cards. If you are not the recipient of several nice cards in the mail asking for a donation then you can still find cheap cards in your local Dollar Tree. The last time I was there they still have cards 2 for \$1.00. If you can't buy the postage for a lot then just pick a few of your worthy neighbors or deployed military men and women. Just include your salon name and number, your name (and title), your phone number, and email address. You could also just use Thank You cards and simply say Thank you for being my neighbor, relative or friend. Or Thanks for keeping me safe. That was part of step one last month. **For this month** I invite you to try the new quiz form and let me know what you think. It is just a test so I need as many people as possible to try it out.

Good luck to everyone who gives it a try. Please feel free to provide feedback. Remember, it is a tool to help learning but it's supposed to be fun too!

**Wear at least one of your pins or patches wherever you go. I believe there are still some of the 100 year pins available if you didn't get one yet. Order in groups when possible to save postage.**
