CHILDREN AND YOUTH CHAIRMAN - DEBRA ALBERS

January Newsletter 2026

“Racing for a Cure Coast to Coast for our Special Children”

Have you made any special resolutions in the New Year? Spend more time with Parents or Grandchildren? Lose weight? Exercise more? Have more money to spend? Get taller? By making those donations, you will feel taller because you have been able to make a difference in another person's life.

Awareness of Cystic Fibrosis is one resolution you should make as a Partner in 8 & 40: Cystic Fibrosis (CF) is an inherited disease causing thick, sticky mucus to clog lungs, pancreas, and other organs, leading to breathing problems, infections, and digestive issues, but treatments have improved survival significantly. Our donations have contributed to those strides in helping longevity in Children who have Cystic Fibrosis. Learn what you can about this disease and other respiratory diseases we support.

Current 8 & 40 Donations as of the November Report:

A total of \$2,296 has been donated to National Jewish Health:

Leading the pack are Montana (\$700), Nebraska (\$345) and Florida (\$325).

A total of \$407 has been donated to the Eight and Forty Foundation:

Leaders are California (\$150), South Dakota (\$120) and Florida (\$100).

A total of \$776 has been donated to the Child-Wellbeing Foundation.

Top donations are from Nebraska (\$455), California (\$125) and South Dakota (\$100).

Where does your Departemental hope to be by the end of the year? Keep working and our New Years Goals and Resolutions will be met in 2026!!! Happy New Year!
