

## All Aboard for the 2026-27 La Concierge -- Wish Train Express

As newly installed La Concierge for your Departemental and Petit Salons, my congratulations to each of you on your election to this position. It will be an honor to serve with you on our journey this year. I look forward to seeing where our Wish Train Express will take us.

It will be your duty as La Concierge for Departemental or Petit Salon, to attend all meetings. Much like the train conductor your duty will be to keep the order, and to advance and retire the colors.

As Departemental La Concierge, I encourage you to send out bulletins and/or newsletters to your Salons. Keep them up to date on any information you receive from Nationale. Your mailing list should include Les Petits Chapeaux, Les Petit Secretaires, Departemental Officers and Chairmen. Assist the Chapeau wherever she needs you. Send a copy to me and keep one for your records for the end of our journey reports. Stay in touch with your Salon Concierge's. We are a team, all working to the same goal.

Have some fun with your year as we journey on our Wish Train. Make a passport for each of your Departemental Salon La Concierge's---have them keep a record of the journey. Did their Salons hand out flags? Share Flag Etiquette pamphlets? Make sure it's in their passport. Challenge your fellow Salon's. I will have something special for the end of our journey and your completed passports.

I wish you all the best and most successful year. Congratulations on being chosen to be La Concierge this year. It will be a great year. I am only a phone call, text or email away if you have any questions I can help you with.

In Fun and Fellowship,

*Rose*
