

HOPE FOR A CURE

Happy Valentine's Day to all Partners.

As a friendly reminder, the following changes were made at the La Marche in Kentucky. Please ensure that your handbook is up to date.

Hand Book:

Because of printing costs, and postage, it was recommended that each partner print out the handbook from the website 8and40.org.

Pg. 11, 4th paragraph, cross out "children and youth assessment", and cross out the word "white" regarding copies.

Pg. 27, 2nd paragraph, remove the entire paragraph as it is the same one on page 26 last paragraph.

Pg. 55, 2nd headline, remove the word "assessments."

Pg. 61, under National Historian awards, remove the word "five" and replace with "four."
