Month of Thanksgiving

NOVEMBER 2022

This is the month of Thanksgiving. Let's give some Thanks to our local Newspapers, Television and Radio Stations. Send Thanksgiving Greeting cards to them and Include a flyer about the 8 and 40, a scholarship brochure and a handwritten note stating your organization could use and would sincerely appreciate their support in the coming year. Include your salon name and number, your name (and title), your phone number, and email address. You could also just use Thank You cards and simply say HAPPY THANKSGIVING! Think of this as Step One to these entities.

The planned Quiz page is still not ready. I am having a few issues trying to use the best format. Until my next bulletin, keep an eye on the Departement d' Arizona Facebook Page for the occasional quiz question or two. ([*Eight and 40 Departmental # 31*](#)) I hope to finish the quiz page and get it running well before the Christmas Holiday. Just ring those bells and say some prayers for the 8 and 40 and the special children we support as we continue to work hard for our organization. Stay blessed!

Wear at least one of your pins or patches wherever you go. I believe there are still some of the 100 year pins available if you didn't get one yet. Order in groups when possible to save postage.
