Ringling in the New Year with Bells for our Special Children

RITUAL AND EMBLEM

Happy New Year to all of our awesome partners!

Your Ritual and Emblem Committee encourages all Salons to make sure that every partner has a copy of the Ritual. A copy is available on the website. Please remember to follow your Ritual and Emblem to have a great meeting.

We also encourage all partners to red and white to meetings as well as wearing their Eight and Forty Lugs with pride.

It is also important to display colors and repeat the obligation at all meetings.

If you have any questions or suggestions, please feel free to contact me.

Yours in Service,

Sandy Steinkamp
Ritual and Emblem Chairman
