

Greetings Partners,

I hope you are doing well. This year, I would like to encourage all salon partners to find out about their own 8&40 History. Pull the salon charter at a meeting and share with your partners the year the salon was chartered, as well as who signed it. Please then submit this information to me, and I will include it in the Chapeau Histoire book at the end of the year. - Start your engines and let's find our history - how far can we go?

Have Fun with Personal History - Please encourage all partners to complete their Personal Histoire. Then have a bit of fun and fellowship at your meetings. How well do we know our Partners? Have a little fun and have a partner share their personal history, or have a fun game about partners in your salon. You might find out a fun fact about someone that you never knew.

I wish you all a Happy Halloween and a blessed holiday season.

Hugs to everyone, I wish you all a Happy Halloween and a blessed holiday season.
