

National Constitution and Bylaws
Fall Bulletin #3
Denise Bossetti, Chairman
Committee Members: Lila Speckels, Lisa Hoyland
April 18, 2022

We are coming down to the wire needing the Departmental C & B's approved. If you have not visited the new Departmental Constitution and Bylaws template, it is here on the Nationale form page to make updating them more manageable. It sure was a well-needed template completed by Lila Speckels. If you sent them in and had them returned with too many corrections, now is the time to look at the template and see how much has changed to make it easy.

We hope to follow up with the Petit Salon Constitution and Bylaws template. It should not be a difficult task so that more Partners will take the initiative to serve as a C & B Chairman.
