Partners in their Awesome Dragonboats

February 2026

February has Change your Password Day, National Bake Alaska day, Feed the Birds Day, Groundhog Day, Carrot Cake Day, Bubblegum Day, Valentine Day and so many more interesting special days, what a variety. Each of our partners are like that. We each bring something special/different to our organization. Each person is a valuable part of the 8&40 and its success.

Departmental standings in partnership and donations.

Western Division is in first place with 74.77% of goal but Central Division is close behind us with 72.85%. It is time for "Ignition" (the peddlers at the front of the boat set the pace). We need to have that pace continue at a steady pace always going forward. Continuing to get new partners and to get renewals in. If you have a partner that hasn't renewed give them a call to check up on them. See if they have just forgotten or if there is an issue. Help them to get renewed or help in getting any issues resolved.

Donations are still coming in slowly to National, so we need to work on that, our programs need our support. If you only have a few dollars to donate it helps in so many ways. Thank you for your dedication and all the work that you continue to put forth for our children.

OUR Dragonboats are in the water, we are at our stations with paddles in the water looking forward with every stroke we make looking for partners and looking at how we can help our children.
