

FUN AND FELLOWSHIP

2026 - 2027

Per the Handbook, the Fun and Fellowship committee shall arrange for social activities and provide wholehearted relaxation for the partners.

Chapeau Lisa's theme this year: "All Aboard for Our Special Children – Hop on the Train, Every Mile Matters."

Every Salon is a Wish Station, supporting programs and serving communities.

Every Partner belongs aboard the Wish Express and Every Partner has a Ticket. Every ticket represents a commitment to serve, a willingness to care, and a promise to make a difference.

Every Partner matters. Every Mile matters. Every Wish matters.

Every passenger has a purpose, every contribution helps move us closer to our destination. Invite others to join in our commitment to make a difference. Together, every Salon helps move the Wish Express forward and bringing a brighter future for our Special Children.

Miles the Conductor of Wishes
Symbol of Kindness and Compassion
Overseer of Suitcases - filled with gifts and talents each Partner brings
Inspiring us to get All Aboard and moving forward together:
"One Mile and One Wish at a time with Countless Acts of Kindness"

The Fun and Fellowship Committee shall arrange the social activities following
Petit Salon meetings. The activity can be themed or seasonal, games, puzzles, etc.

Prizes or other recognition should be included. Beverage and snacks could be served as appropriate. Be sure to plan accordingly and give Le Petit Chapeau advanced notice for her agenda.

You could also team with other committees such as Leadership, Partnership or Rituals and Emblems to perform short skits on 8&40 traditions or protocols. The opportunities are endless and the subsequent camaraderie reward = Priceless!

Fun and Fellowship starts with a Friend – please feel free to share the attached flyer.

So, don't miss the Wish Express moving toward "A brighter future for our Special Children."
