

**NATIONALE NURSES SCHOLARSHIP / RESPIRATORY THERAPY
PLAN OF ACTION
2025 – 2026
SHARON MCCLAIN – CHAIRMAN**

Hello Partners!

We are in a new year; however our special children need all of our help along with the support of our nurses and respiratory therapists to treat those children to be able to breathe better each day. Let us not take for granted these children who may never know when a new year begins, when they live one day at a time.

Your support is so vital! Nurses Scholarship is a very important program of the 8 and 40.

Our Nationale Chapeau Doris Ann's theme this year is ***A Race For A Cure***. My theme this year is ***Sailing Across America For A Cure***.

Let us sail from coast to coast to the finish line for our special children. Plan your strategy. Start your sails in raising as much money to win the race to the finish line. Send me the route that you plan to take.

I have assigned a sail boat color to each division:

Division	Sail Boat Color	Sail Boat Number
Central	White	1
Eastern	Yellow	2
Southern	Green	3
Western	Red	4

Each division will need to work together to help each to get your sailboat over the finish line first!

We are working for a cure for the lungs of our special children that depend on us. East to West, North to South, we can do it! Pass on any information that you receive to your Departemental and Petit Salons. Each of the divisional nurses scholarship chairmen will be working together to ***outdo last year*** and improve our donations to this very important program. It is important that you communicate to your Salons, send me your articles, and ideas with your fundraising ideas.

Each division have Departementals and Petit Salons. Let us use each one of them to help find a ***Race For A Cure*** by ***Sailing Our Boats Across America For A Cure*** in each division.

Nurses Scholarship donations need to be sent to your Departemental by May 15, 2026. Departemental donations need to be received at Nationale by May 31, 2026.

Nurses Scholarship brochures are available through Nationale Headquarters. We need applicants to be able to award our scholarships.

Make a donation in memory to nurses scholarship. Remember to use Memorial cards for those families that have lost a loved one.

Check out the website for my newsletters, updates, and communication.

The Nurses Scholarship Committee is looking forward to working with all the partners. If you have any questions, ideas, or concerns, please contact me. If I do not have the answer, I will find the answer and get back to you.

Let us race to the finish line and have a successful year!

In Fellowship and Fun,

Sharon
