hope

Fifteen (15) Departmentaux made the February 28th goal – *great job!*

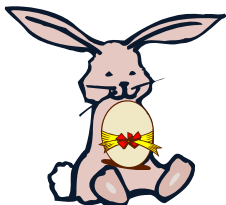

- We more than doubled those reporting on January 31st – *thank you!*
- Together our team efforts were at 76.75%
- 115 new partners – *wow!* 

At March 31st, we were at 78.65% of our 100% goal – *go partners!*

- It truly is any one's race in Divisional Partnership as Western Division is now in 1st place – 82.29%; Central Division is now in 2nd place – 81.84%; Southern Division is now in 3rd place – 75.90% and Eastern Division in 4th place – 71.90%.
- And now 125 new partners!

We will be struggling to reach our 90% goal date on April 30, 2022. However, the *good news* is that Departmentaux's Alabama (94.44%), Arizona (90.65%), Kentucky (97.26%) and South Dakota (104.00%) can have a treat - 

- Make a special phone call to a partner who has not yet paid their dues - *offering to help them!* They just might be waiting for that 'special contact.'
- Keep the faith – we are women who can handle most anything - things will work out!

Happy Easter!
