PARTNERS, START YOUR ENGINES!!!!

WE ARE....

"Racing For A Cure Coast to Coast For Our Special Children"

Is your Departmentals and Petit Salons Pit Crews ready?

Do you have all your tools and resources available?

Do you have your route mapped out?

Do you have your pit stops scheduled to refuel, refresh and have some fun along the way?

Plan something at every event for everyone to participate and enjoy while working our programs and mission.

Ideas could be Word Searches, Brain Teasers, 8 and 40 Trivia, fundraisers with gift cards for a car wash or an oil change.

The possibilities are endless!

I will be sharing "Fun and Fellowship ideas throughout the year for special occasions and Holidays. We will have a Facebook page set up by 9/23/2025.

If you have a special game, activity or an idea, please feel free to share.
