I hope all of you had a Blessed Thanksgiving and got to spend time with your families, friends and close neighbors. It is sincerely a time for Thanksgiving for our homes and Country, God Bless America.

Pius and I also want to wish each of you a Very Merry Christmas and a Happy, Healthy and Blessed New Year. 2026 will be an Awesome Year.

So many things I need to express to you. I'm really Quite Anxious to see the membership grow and if you all remember you are supposed to turn in membership and new partners As Soon AS YOU Get the money. Also, if those partners who are in **Chairmanship Positions and your dues are not paid by the end of December, exactly, 31 December 2025, you are delinquent and probably on the list to be replaced. It is in the By-Laws that your memberships must be paid when you have been asked to be a Chairman or on one of the committees. So Please Get ALL your memberships in, don't hold them!!!!**

**Your membership Dues Pay the National Bills, and if you don't send in those memberships, there is NO MONEY in the Bank to pay bills, we are a Non-Profit Business --- so please remembers if you hold back dues ---- our National La Secretaire-Cassiere Sandra can't pay bills. She makes up a budget, but we need those dues to make sure we meet our obligations at National.**

**I'm so happy for the Western Division, we are in First Place for partnership, so keep up the good work, so Central, Eastern and Southern Divisions, you better get your dues in for your Partnership so we can Race to See who will be in the Winners Circle.**

**Demi Chapeaux and Chairman, I am so Proud of each of you for getting your bulletins out. What a deal, you need to get your information out to other partners and this is how we do it. I'm so interested to see what you have going on in your areas, so keep up the great work. Only you can let other partners what is going on in the different Committees, so keep up the good work and words of Inspiration.**

Don't forget about the trip to Crazy Horse on 8 September 2026 in South Dakota, the Quilt Raffle, buying your patch of my pin, to use on a key chain or tack on a T-Shirt, Sweat shirt or even a white khaki shirt, they really stand out on a shirt.

Again, Merry Christmas and Happy New year to All of you  
God Bless Each of you and God Bless America.
