*THE CENTRAL DISTRICT PROVIDES HOPE FOR OUR SPECIAL CHILDREN*

Greetings to The Central Division Partners,

My apologies for the lateness of this bulletin. It seems the holidays and the other stuff life brings slowed me down to crawl! I hope your holidays were filled with joy and memories.

Membership must always be a priority to sustain our organization. At this writing, the Central Division is in 3<sup>rd</sup> place in membership; however 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> are in a very close race! I am confident that The Central Division will be at the top of the list at years' end!

My congratulation to Departmental Indiana, as they have made contributions to all five programs! Michigan to four, Missouri to three, Kansas to two, and Ohio and Illinois to one. Keep up the good work!!!!

I encourage you to promote the Nurses Scholarship program. Make contact with Nurses Training programs in your area; if nothing else, make sure brochures are available at each one.

Please encourage your Departmental L'Archivist and Public Relations Chair to prepare and submit books for possible Nationale awards.

Please contact me if I can be of any assistance to you.

Yours in Fun and Fellowship
