

La Boutique Nationale  
Des Huit Chapeaux et Quarante Femmes

Bulletin #2

November 2022

Chapeaux Nationales Passes  
Officers and Chairmen Nationale  
Le Chapeaux Departementaux

Happy Thanksgiving. Who can believe it is November already? Clocks are set back, and it's time to prepare for the holidays. But first, we have some 8/40 work to do.

**PARTNERSHIP:** Congratulations! We're off to a good start this year. Nineteen Departementaux have met the 25% goal, 10 have met the 50% goal, 3 are at 75%, and South Dakota is at 101%. The Southern Division is in the lead, and the Western Division is following close. Now, the real work begins. It is important to keep working. Getting the next 25% is harder and takes a little more work and communication. Who have you asked to be a partner? The goal deadline is December 31<sup>st</sup>.

When you get new partners in your salon, make sure they feel welcome. Remember to explain the whats and whys of our organization. Why do we wear white and red? Why do we use French words? What is our purpose? Think back to when you joined – how were you welcomed? Why do you still belong?

**COMMUNICATION:** Are you sharing the information you received at Nationale Marche? Have you sent a Bulletin, newsletter, or used other ways of getting information to your partners? Now is the time to do so.

**FUNDRAISING:** What is your budget for the program donations? What FUN FUNdraiser have you planned for this year? Note --- the deadline date for donations to NJH and the All Partners projects is March 31, 2023. Deadline for ALCWF and Nurses Scholarship is May 31, 2023.

Don't forget to have FUN at your meetings and do something special for the Holidays.

Keep "Ringing the Bells" for our special children. They are the reason for our organization.

"Ringing for A Cure",
