

Nationale Partnership

2026-2027

All aboard the Partnership Express,

Partnership is very important program to us. Our partnership is declining. We will all be boarding the Partnership Express so bring as many partners with you to enjoy the ride. Let's see how many tickets we can punch with maintaining our renewals and getting boarding passes for new partners. Make sure you are reaching out to people in your life that might become a new Partner. You never know what stop the partners will be waiting for the train at. They could be in the line at the store, other service organizations even in the park when you are walking. The Goal this year to get **three** new partners for each Departemental.

Attached are boarding passes you can fill out when signing up a new partner. After signing up the partner fill out the boarding pass and send it back to me, to be put into a drawing for a prize. I will draw at the Pre-Marche Partnership meeting at the 105th Nationale La Marche in Normal, IL.
