Hello Partners, Time is going by fast, so take a few minutes and if you would like to make donation, please do so right away. My National chapeau Project is a Nurse Scholarship separate from the others. Would love to see that scholarship at \$5,000 and the last amount was \$4218 so please help me out. If the Departmental only sent in \$35.00 we would make my goal.

I am having a great year so far. Have made some visitation to Missouri, Ohio, Illinois, Indiana and to Texas in July am still available if any Departemental would like to send an invitation.

Hope all Departemental are have a good year and I know from my visitation that you are working the programs for our special children.

Plans are in the works for National La Marche in Pasco, WA in September. Hope you are coming would love to have over 100 partners.

Keep up great work !

CHILDREN AND YOUTH

-

Patty Miller, Chairman

Greetings from sunny Florida!!

The weather here is sunny and in the 80's.

It is that time of year for all of us to get a list of donations we have made for the

Children and Youth programs. And get ready for Spring Pouvoir.

We need to remember our children with respiratory diseases and what they have to

go through daily just so they can breathe and play with their friends.

Remember, that the report needs the salons name and number, and the monetary

donations that have been made so far this year, and any special event you had for

the children, Was it a party? Was it Christmas a present?

Check the Awards Listing for the awards your salon can win. Don't forget to write a story of what you did in a narrative. Follow the criteria for each award, and you

need to let us know what award you are applying for.

Don't forget about Friday night for "Fun and Fellowship" We are going to be tangled up for the Children.

Until Spring Pouvoir, see you soon,

Patty Miller, Chairman

A Jarad Box Project — Rose Burbidge, Madison Salon # 306

A Jared Box is a plastic shoe-sized storage box filled with small gifts, toys, games, crayons, coloring books, and fun activities. Each box contains items selected for a specific age and gender. The boxes are given to children in the hospital to provide a special, fun diversion.

Madison Salon # 306 of New York is doing an ongoing Jared Boxes project for our local hospital's children's wing. They were so appreciative of the dozen boxes we took over last year that we wanted to do something "right along" and not only at meetings. So when someone goes shopping, especially to the Dollar Tree, she just picks up one or two more items and takes them to our next meeting. That way it does not cost anyone much all at once for gift items.

For those interested in making them, just go to "TheJaredBoxProject" for simple suggestions. It's easy, FUN and makes the child feel special.

Ritual is a sequence of activities' involving gestures, words, actions, or revered objects (1) (2) Rituals may be the traditions of a community, organizations.

Please remember to check the partners membership cards as they enter the meeting room, you should be checking to see that the Partners are wearing their 8 and 40 pins. Ask them what the password is. Special holidays that we should be flying our flags should be mentioned. As the Ritual and Emblem chairman it is your job to keep the peace at all meetings. Nurses Scholarship—Sandy Steinkamp, Western Division Chairman

The mission of the 8 & 40 is to offer aid and support with the prevention and control of lung diseases in children. What better way to support this mission than award the Nursing and Respiratory Therapist Scholarships to those who are attending accredited nursing school and respiratory therapist programs.

The aims and purposes of the scholarships are to help students with the hope that they will seek and find the means to help

our special children, be it through practicing their career or in a research field related to lung and respiratory diseases. Please promote this by distributing the brochures to nursing

schools, community colleges, etc.

Keep up the good work that you are doing to provide these students with a helping hand so that they can help our Special Children.

Please remember that all funds needed to be turned into your Departementale by May 15, 2025, to be received by Nationale by May 31, 2025. Let's make our Chapeau Barbara proud of our efforts to promote her project and this worthy program.

Thank you to all the Partners who have worked hard for donations to the Scholarship Fund. But more donations are needed to make our goal. All donation are important to our program.

Western Demi Chapeau -

Happy Spring Partners, it is now the Merry Month of May as noted in Camelot. Offer a kindness to the mums in your world, celebrate planting weather and remember our fallen Veterans on Decoration Day/Memorial Day.

Our emphasis continues to be raising funds for La Chapeau Nationale's Nurses Scholarship Fund, Nurses Therapy Scholarship Fund, the Child Wellbeing Foundation and Partnership.

By **"Raising Awareness."** we can help educate our respiratory nurses who provide care for our special children. Successful endeavors reward us with the satisfaction of a job well done.

My two-liter bottle is now full, ready to cash out. I will be sending in a donation of over \$300 raised right here in my kitchen, by myself. The money will reach my salon in time to make the donation dead-

line the end of this month, May.

**** Please take care to make all your donations on time.**

****Please take the time and care fill out all reports and completed and submitted in a timely manner. Thanks so much, it really does matter.**

Let's build our partnership with kindness, fun and fellowship. Just ask.

*Note about my grand-nephew Triston. He has full physical checkups quarterly to monitor how he's doing, growing, all that. I never knew before Tristan that that CF so seriously affects digestion and nutritional absorption. Trikafta has been hailed as a medical miracle for those with CF. It is a very expensive drug, but it is making a difference.

Triston is flourishing due to new meds and treat-

ments made possible by folk like you who donate their time, talent and funds. I am thankful every day.

Ladies, again, your work and efforts are so worth it, for all our special children.

Partnership

-

Linda Varejcka

Partner: One associated with another esp. "in action". **Membership:** The state or status of being a member of an organization with a larger membership. **Comradeship:** is a comrade, a person frequently seen in the company of another, a person who has a strong liking for and trust in another. **Associate:** a person frequently seen in the company of another. **Teammate:** a person who is on the same team as someone else to achieve the goal.

Do these words sound like our partnership in 8 & 40? Our mission and our goals? Don't we know several people that fit those qualified? Have you talked to them about our organization and asked them to consider becoming a member? I challenge each of you. Partnership is a constant daily goal

We still have a ways to go to reach our annual goal. We are behind by 30 of # of new partners we got last fiscal year. We were hoping to exceed. The directive we were given at Nationale was for each Departmental to sign up 2 new partners. Those that have achieved that goal are: Arizona, Michigan, Missouri, New Jersey, New York. Those at this time who have exceeded are: California, Idaho, Illinois, Indiana, Nebraska, Ohio, Texas, and Washington. Great job but don't stop, keep searching. Others are close. Some just needing just one more partner. Let's all work together to achieve that goal for our Chapeau! And please don't forget to work on those that have not renewed. Work with them. **I am serious if there is anything that I can do for you please let me know. Telephone call's a note just reach out to me or your divisional chairman.**

Continued.....

Partnership continued from Pg 6 ...**Linda Varejcka**

I promised you a lot of rewards/prizes at Nationale. One being to send me the name of your new partner and who recruited that partner for a drawing from your division etc. I see we have recorded 72 new partners, BUT I have received only one entry. Please don't get left out. Please flood my email or mailbox.

Our 100+ goal members are: Idaho and Washington, but who will cross the finish line 1st???? It is a tight race but as of March 31st, Western Division is in 1st place. Who will finish 1st?

Remember in order for our organization to continue and for us to continue our great causes, we need "Partners"

In Fun and Fellowship Linda Varejcka
