

Greetings from Le Chapeau

The Hat Box

As Spring has sprung and the summer weather is upon us here in Illinois we need to stay cool and healthy. Be aware of your friends and neighbors as well as all your partners. Just a simple phone call to say hello how are you makes the other person happy and feel good about themselves. We also need to keep in mind all those children who have breathing issues as this spring and summer weather will make it hard for many of them to breathe.

Our partnership still needs some attention and each partner needs to reach out to new partners and those who have not yet paid their dues for the year. New partners are out there and just need to be ask to join this great organization. Remember to mention the Nurses Scholarship program to new partners and let them know about the application process to apply for a Nurses Scholarship. Everyone knows education is very expensive and everyone could use the help of a scholarship. Our Children and Youth programs are also in need of attention as ditty bags are used in many pediatric therapy clinics so the children receiving treatments have something to do while getting treated. A simply bags of a coloring book and crayons can help to get the child through a hard time of getting a treatment.

The All Partners Project with the American Lung Association is a big undertaking and funds are needed to support this worthwhile program. Has your Departmental and Petit salons donated? Any amount will help to education the teachers, parents as well as the children to better understand the disease.

Support of the 8 & 40 Foundation helps to support those asking for support through the grant program. Yes, we are still supporting the National Jewish Health in Denver just not in the ways we have in the past. We cannot get into the hospital or school due to the Covid Pandemic and yes, it is hard to understand all that but we must do what we have to, to stay healthy and allow the students and staff there to be safe and healthy also.

Marche Nationale is coming soon and my homecoming will be on Wednesday September 21st and a meal, President Abe Lincoln Impersonator will be to greet everyone and then we will take a Trip to Paris to conclude the evening. If you have never been on a Trip to Paris you are in for a real surprise as it will be a fun filled evening.

It has been a real honor and privilege to serve as the National Chapeau this year and look forward to seeing many of you at La Marche in September. Until then, stay safe and healthy.

Congratulations to Departemental Kentucky #48 for making goal. They now join Departemental South Dakota #3. In addition: Alabama #8, Arizona #31, New York #13 and Texas #32 made their 90% goal.

We may be stumbling, but we will find comfort as we go hand-in-hand to get those last 562 or 18.55% as we head for the goal line.

As this is being written, the partnership figures through April 30, 2022 are currently at 2,468 of our 3,030 goal or 81.45%.

Thank you for our 131 new partners!
Congrats to Departemental Illinois #21 for their 19 new partners!

Western Division has taken the lead (84.03%) with Southern Division so close (84.01%). Central Division (82.73%) and Eastern Division (74.82%) are still in the running.

A good exercise for our heart is to bend down and help another up with paying her partnership dues. The finish line is close but there is still time *to make a difference!* *Thank you all for giving and being compassionate!*
