

*National L'Aumonier Plan of Works for 2026-2027*

*Congratulations to all our new L'Aumonier's*

*Come and join me on the Wish Express. All aboard for our Special Children. Hop on the Train, Every Mile Matters.*

*My first Plan as your National L'Aumonier is to start an email prayer chain.*

*Please send me your email address and any partner from your Departemental that would like to be included on our prayer chain group. We need to let our partners know that we are here for them. Please send sympathy, thinking of you, birthday and holiday greetings to all your partners.*

*Without them we would not have this great organization. A simple email can give a partner a lift that they may need that we are not aware of. It only takes a minute to write a note, but it can mean so much to our partner.*

*I will be giving a personal award to the Departemental L'Aumonier who sends the most emails to our partners letting them know that they are important to us.*

*I would like every partner to send me a prayer because I will be making a book of prayers for National Chapeau Lisa. Let's surprise her with one from every partner.*

*Lord*

*As we all board the Special Children wish express train. Let us remember that every mile matters and every child matters. We will continue our fun, fellowship and service to our children.*

*We ask you to continue to bless the doctors and nurses that have dedicated their lives to our special children.*

*Bless our partners as they continue to spread the word of our great organization, and the help they give in their community. Bless them for every volunteer hour and every dollar they give.*

*We ask this in thy name Amen.*
