Get on Board the Historie Train!

Congratulations to all the Departemental and Petite Salon L'Archviste's! fun,

As L'Archiviste it is your responsible to compile and preserve the historie of your Salon, Departemental or Petite Salon. You must also file an annual report of the same to Nationale or Departemental. Be sure to include personal stories and your historie after programs and events. Include pictures, collaborate with others, stay engaged and focus on preserving your Salon's historie.

Have fun in your Departemental and Salon meetings. Wind your train back through your histories'. Bring pictures and the histories' and have a fun trivia night at your meeting. "Remembering when" can be a lot of fun! It is always fun to remember our partners and an event that had been fun and beneficial to the mission of our organization. Give some prizes away and make it so much fun! Write about your meetings, fundraisers and events right after they are have occurred while it is fresh in your mind. All you will have to do at the end of the year is put it all together.

Personal Historie and photographs are requested from each National Officer and Chairmen, Nationale Chapeau Passe's, L'Archiviste Departementaux, as well as all Departemental and Salon Officers.

Get On Board the Historie Train! Embrace the ride! Take your Partners along for the ride! Make the journey fun and exciting! Make this year's journey (historie) one for the memory books. A journey that the Partners of your Departemental or Petit Salon will want to remember for years to come.

Let's ride the Historie Train together for a fun, exciting, and unforgettable year serving our Special Children, our nurses and medical personnel, and the mission of the 8 and 40 organization.

See you at the end of journey! All Aboard!
