ALL ABOARD PARTNERS !

WESTERN DIVISION CHILDREN & YOUTH
Partners you are in for a Ride of Life Time this year.

We will be working hard on our Mission for Our Special Children but as always having FUN and doing SERVICE !
I want to remind you to keep track of your hours you spend while doing things that are for the children. Shopping, visiting, sending cards,doing fund raisers.
For the National Chapeau's Special Project, I'm making it very easy for you. Western Division Departementaux will receive a ticket envelope for each Partner, to collect the money in. This is a very special project that will put BIG SMILES on the children at NJH. Let's GO FULL STEAM AHEAD on this. Stay on TRACK.
ALWCF always needs our help and support so think of a special fund raiser for that. Maybe a Christmas party for the local children? COCOA and COOKIES with SANTA? Spread the information about our wonderful organization.

One MILE One Child at a time, we can and will make a differnce.

Kindness to All by Everyone
