AWARDS CHAIRMAN

Searching for the KEY to a CURE

Good Day Partners,

Hello, I am Kathy Newlen. Madam Chapeau, Linda Diebel, has asked me to help by being Chairman for the "AWARDS" for 2023 -2024.

To obtain an award, your reports are important. Reporting is the KEY to receiving awards where the submitted entries follow the rules and received by the entry deadlines.

There are many special National Awards possible that can be earned due to our dedicated efforts. There are 9 National Children and Youth Awards; 2 National Histoire Awards; 5 National Nurses Scholarship Awards; 4 National Partnership Awards; 2 National Communication Awards; 1 National Leadership Award; 1 National Public Relations Award; 2 National Eight and Forty Foundation Awards. The deadline dates (if included) for the awards are noted in the 2022 Revised Handbook.

The Departemental Chapeau Communications Books are sent to the National Awards Chairman. When shipped to Awards Chairman funds need to be sent to cover the cost of returning it to its respective Departemental Chapeau.

The list of National Awards and Rules are listed in the Revised Handbook 2022 edition found on the 8and40.org website beginning on page 59. Check them out and see what award to work toward.

It is a great feeling to receive awards for our achievements. National awards are presented during National La Marche but the Divisional and personal awards are presented at the Divisional Caucus and/or Pre Marche Committee meetings. Remember to pay close attention to the reporting dates and deadlines.
