

## HAT BOX DEADLINES

Hello Partners,

I would like to introduce myself. My name is Terri Angell and I am your new Hat Box chairman. I am looking forward to working with you on getting all our Partners up to date on what you are doing, things they need to be aware of, deadlines and information.

These things cannot be done without YOUR help. Below are the deadlines for your articles, pictures, and updates. Please be sure to get them to me by these dates so that I can get the Hat Box out in a timely manner.

We are going to have a record-breaking year for donations, activities and fellowship – and I want all our Partners to be aware of everything that we are doing – let's work together to get this information out!

### **DEADLINE DATES:**

**October 31, 2024**

**January 1, 2025**

**May1, 2025**

All **OFFICERS** are expected to have an article for each issue. **CHAIRMEN**, it is not required but as we all know – what we don't know we can't do... so tell us everything we need to know.

My contact information is below, and I look forward to hearing from you.

Yours in Service

Terri Angell – HAT BOX CHAIRMAN
