'Our Success Rings from using the Handbook'

2022-2023 – 'Plan of Action'

A warm welcome and congratulations to all Officers and Chairmen in our 8-40 organization.

Together, we will learn to 'read and use' our Handbook and Constitution and By-laws. We will set aside past mistakes and take an oath to perform those duties as outlined in these documents that are provided to keep us updated on proper protocol.

It will be our responsibility to encourage all partners to use the tools given to us and share any changes to improve the betterment of the 8-40 partners/program.

In addition, we will take care of *Our Special Children*, have much *Fun and Fellowship* and be '*Ringin' for a Cure*' to all respiratory diseases.

Our bulletins will be published every other month in an effort to keep all informed; and also, can be found on the website at 8and40.org following the prompt to 'reports' and then to 'handbook.' Check the website out as it contains VERY updated information on all phases of the organization.

Each L'Avocate and Constitution & By-Laws Chairman is to have a current copy of their documents ready, just 'in case' something is questioned with being prepared to answer.

This *Handbook Team* welcomes any ideas that will help keep our partners informed.

If there are concerns and/or questions, feel free to contact anyone of us. *We are here to serve you!*
