Central Division Chapeau
2026 2027

Welcome partners, I'm looking forward to serving as the Central Division Chapeau.

We will be working hard this year on Chapeau Lisa's train.

All aboard for our Special Children.

Partners will be hopping on the train, every mile matters.

I would like for the Central Division to jump on the wish express in everything that we do.

Full stream ahead. You will be getting updates along the way.

Please send me your journey highlights for every program you work on.

It is important to spread the word about our organization and the great work we do for our children and in our community. Every volunteer hour is important every dollar makes a difference.

Working and communicating together is the ticket to board our train.

Let's see how many miles the Central Division can travel. How many wishes can we fill.

I would like to see how many partners we can give recognition to and share their accomplishments.

I will be giving a personal award to each Departemetnal Chapeau who sends me a report on the progress of your Departemental. I will also be giving a personal award to Departemental Chairman of the following committees

Nurse Scholarship, Children and Youth. Partnership and leadership.

All Aboard Partners Central Division is on the track and running full stream.
