

La Boutique des Huit Chapeaux of Quarante Femmes Eight and Forty

Bulletin #1

Welcome, New and Old Partners,

Congratulations to all Officers and Chairmen in the 8 and 40.

Madam Chapeau Doris Ann's theme is "Racing For A Cure Coast To Coast For Our Special Children". As part of her Pit Crew, that's what she calls her committee members. The Handbook committee will be "Run for the Purple Roses." As our organization evolves, we will need to adapt, and its handbook will need to change accordingly.

Let's begin the year by reviewing the 8 and 40 Handbook. As we embark on this new year together, let us reaffirm our commitment to collaboration, innovation, and service within our organization. The coming months offer countless opportunities for growth, learning, and meaningful camaraderie. Whether you are stepping into a leadership role for the first time or returning with valuable experience, your dedication is the cornerstone of our success.

To help you thrive in your responsibilities, we encourage each of you to familiarize yourself thoroughly with the guiding materials that shape our mission and procedures. These resources will prove invaluable as you plan activities, engage partners, and uphold the standards of the 8 and 40. Partners should have a copy of each of these documents, which are available on our website, to make a copy from the 8and40.org website. Let's make sure that your L'Advocate and Constitution & Bylaws Chairman has the most current copy of these documents. Make it fun and ask your partners questions about what they do or don't know about the 8/40 programs and what is in our Handbook.

The Handbook Team is here to assist you and answer questions or concerns throughout the year.
