*THE CENTRAL DISTRICT PROVIDES HOPE FOR OUR SPECIAL CHILDREN*

Greetings to The Central Division Partners,

I hope you are enjoying your summer, and the heat isn't too much for you!!! Here in Kansas it has been quite toasty, I'm not sure that summer is my best time!!!

Membership must always be a priority to sustain our organization. At this writing, the Central Division is in 2<sup>nd</sup> place in membership. I am confident that The Central Division will be at the top of the list at years' end!

I am proud to say that all Departmentals in the Central Division have made contributions to American Legion Child Welfare Foundation, the American Lung Association, NJH, and Nurses Scholarship programs! And four (4) have donated to the 8and40 Foundation. GREAT JOB!!

I hope to see the Central Division represented by Many Many Partners at Nationale La Marche. It has been a joy for me to meet many of you and hear the wonderful things you do for our Special Children. I look forward to seeing you in September.

Please contact me if I can be of any assistance to you.

Yours in Fun and Fellowship
