I am truly humbled by the trust you have placed in me as your Western Division Le Demi Chapeau. I look forward to working with all seven Departementaux in our Division. We need to work as one as we tell others about the "Wish Express Story" and board The 8 and 40 Express Train.

As we transition from "Racing for a Cure Coast to Coast for Our Special Children" to "All Aboard for Our Special Children – Hop on the Train, Every Mile Matters" we need to review our Salons and look at all of the Eight and Forty programs that we support. Make sure every Partner has the tools she needs: Copies of the updated C&B, Hand Book, Ritual and Emblem, and know about the website. [www.8and40.org](http://www.8and40.org)

Le Chapeau National Lisa has given us many ideas on how we can be successful in our programs, Partnership, communities and "Serving our Special Children." I will be sharing this information with you as we begin the journey with Miles, the Conductor of Wishes. I don't want to see any of the Western Division Departementaux dead on the tracks. So, get ready to travel and have fun, set goals, and together we will move forward. I can hear Miles now, "ALL ABOARD".

In Fun and fellowship,
