How time is flying by, Departmental: how are your Histoire Book coming along? Hopefully you have started them. Where do you start June 1, 2022, or right after you were installed as Departmental L'Archiviste and ending May 31, 2023. Will you be sending your Histoire Book to your Divisional Demi Chapeau for judging? Hope So! Rules for judging were sent in last bulletin and are on the Nationale Web site [www.8and40.org](http://www.8and40.org).

Have attached a Personal Histoire for you to complete and send to me:

Would love to have one from every Departmental L'Archiviste, include a picture if you wish. What a nice idea for you to send the Personal Histoire as Departmental L'Archiviste to your Petit Salon L'Archiviste for your Histoire Book for your Departmental Chapeau. Put your name and address at bottom of the page.

Before you know it report time will be here, reports are due to me by July 15, 2023. Let's ring the bells and get 100% reporting.

Any question donot hesitate to contact me either by letter, email, or phone.

Yours in Service, fun & Fellowship:
