National Chapeau Passes

As we begin a new year, I am honored to serve as your Le Demi Chapeau National and as the Liaison to the American Legion Child Welfare Foundation.

The Eight & Forty has been a longtime support and recognized as one of the highest per capita donors to The America Legion Child Welfare Foundation.

As you plan your activities for the new year incorporate a fund raiser with proceeds going to the ALCWF.

The Marge Sheridan Award will be awarded to the Departmental for monetary donations given to ALCWF on a per captia basis as recorded May 31st.

Lets join the Camels racing and raise funds for this important part of our great organization. The goal for this year will be shared in an upcoming bulletin.
